Contract information

At the end of 2021, Q-Park had 1,878 employees (2020: 1,430) corresponding to 1,581 full-time equivalents (FTEs) (2020: 1,563). The increase in

total employees is primarily due to the numbers of part-time contracts and other self-employed people providing services on a temporary basis being included in the count.

Health & Safety

Q-Park promotes the health and safety of customers and employees. We achieve this mainly by training our employees, equipping them for their work, and by creating a safe and healthy working environment.

Every year, we receive millions of visitors in our parking facilities at all hours of the day. Unfortunately, it is inevitable that our employees will encounter aggressive or inappropriate behaviour. We do everything we can to ensure their well-being.

- We offer conflict management training.
- We have CCTV monitoring.
- Our Parking Attendants who issue control fees have a 'direct contact' button on their GSM.

We consider the well-being of our employees to be a key sustainability issue. For this reason, we now report quarterly on the number of incidents involving employees as well as the resulting lost days.
