## OUR FINANCIAL PERFORMANCE

We capture value for our stakeholders with our financial performance.

The 2021 financial year was again impacted by the coronavirus and the measures and mobility restrictions imposed to contain its spread.

Long-term parking revenues remained fairly stable throughout 2021 despite the mobility restrictions imposed to contain the coronavirus. However, the impact on short-term parking revenues varied depending on the level of mobility restrictions imposed by governments. We noticed a strong recovery of short-term parking when coronavirus measures were eased.
